About My Works

The Fine art is the achievement of the way of the Art Creation. Both the outer & inner beauty give creation to myself. Art is a spontaneous and joyful celebration of life for Debashis.

The Landscape subject comes into my Art work. Realistic Landscape converted to Artistic approach. I will try for achieving goal stape by stape by colours form and balance based on harmony.

My paintings are unique for their style and impact, from subjects on human to beauty of nature, an landscapes; everything is expressed subtly and beautifully through the paintings. Every colourful brush, lines and brilliant stroke attracts the eyes of the beholder.

I true inspiration to the past senior and younger generation of Artists. Dreams of achieving more and more success and continues to create magic through my works.
